# How to use these cards

---

Print this PDF on heavy cardstock (80-100 lb) for the best feel.

Cut along the grid lines to separate each card.

Pull the card for your current week each Sunday.

Pin it to your mirror, tape it to your fridge, or tuck it  
in your wallet — wherever you'll see it daily.

Read it out loud. Let it sink in. Repeat as needed.

*you've got this, mama*

**Carry these with you everywhere.**
